MARCH 22, 2023

THE MADNESS CONTINUES! (And Other Growing Litigation Concerns)

The Notary Hotel - Philadelphia

Get ready! It wouldn't be March without "March Madness" again. And this March, Eagle International Associates is coming to Philadelphia (even if the NCAA Tournament won't be here)! Please join us in Philly on March 22nd as we look back and examine how significant events of the last several years have impacted the casualty insurance industry, and as we look for ways to improve the industry's response to those events into the future. We'll discuss some "crazy" events and changes that have occurred in recent years, and how those have impacted jury verdicts in particular.

This conference is designed to explore these changes in greater depth to provide insight and better response for the insurance industry. This conference will feature four specific panels of highly respected attorneys and claims professionals to help us highlight and examine these issues.

Please bring your questions, comments and opinions as we always welcome a lively group discussion with our guests.
