# GETTING YOUR CASE INTO THE END ZONE

Join us in Kansas City, home of the 2023 Superbowl Champions for valuable insights and panel discussions on navigating the critical elements of your claims and litigation. From the opening kick-off to the final play, your team's performance will be enhanced by the knowledge our panelists bring. Our panel on Effectively Managing Policy Limit Demands will discuss pitfalls and strategies for handling cases that may exceed an insured's policy limits. Another panel will enlighten you on approaches and tips for challenging Life Care Plans in personal injury actions. Still another panel will examine the intersection between cyber and professional liability – an issue impacting lawyers, claims professionals, coverage and more! Finally, Mediation is The New Trial will consider best practices for preparing your case for mediation from the opening moments to the last whistle.
